

## Notification

"Gradus" AD notify about planned investments in the subsidiary "Gradus - 1" EOOD in the amount of BGN 6.8 million, including:

1. New slicing line incorporating machined modules for KFC product items, new filleting machines, remodels of production facilities and distribution assembly line improvements;
2. Update of an assembly line for receiving live birds and meat production, complying with the requirements for a higher level of biosecurity and increasing the efficiency of the production capacity;
3. Modernization of a fleet of trucks for the transport of live birds and transport of finished products;

The Board of Directors assigns the managers of Gradus-1 to conduct negotiations with potential suppliers and launch the approved investments by September 1, 2023 at the latest.
